

The Clawback Provision in Private Equity

1 day program

A Deep Dive into GP & LP Clawback Mechanisms

Course Overview:

- ✓ Understand the purpose and mechanics of clawbacks in PE Fund Structures
- ✓ Explore GP and LP clawback triggers, lookback periods, and payout adjustments
- ✓ Learn how clawbacks impact fund economics, carry structures, and partner incentives
- ✓ Analyze case studies on clawback outcomes and fund return metrics

Program Benefits:

- ✓ Step-by-step breakdown of GP and LP clawback calculations
- ✓ Practical techniques for modeling clawback scenarios in different fund structures
- ✓ Insight into fund performance metrics affected by clawbacks (IRR, DPI, MOIC)
- ✓ Tools to design better clawback protection mechanisms in Fund Operations
